

1. Believing

I believe in myself. I believe in those with whom I work. I believe in my employer. I believe in my friends. I believe in my family. I believe that I will receive everything I need with which to succeed if I do my best to earn it through faithful and honest service. I will be patient with other people and tolerant with those who do not believe as I do.

2. Acting in Good Faith

I believe that success is the result of intelligent effort and does not depend on luck, legal trickery, sharp practices or double crossing friends, co-workers or my employer.

3. Sowing and Reaping

I believe I will get out of life exactly what I put into it. Therefore, I will be careful to conduct myself towards others as I would want them to act towards me. I will not slander those whom I do not like. I will not slight my work no matter what I see others doing. I will render the best service of which I am capable because I have pledged myself to succeed in life. I know that success is always the result of conscientious, consistent, efficient and effective effort.

4. Personal Growth

Finally, I will forgive those who offend me because I realize that I will sometimes offend others and I will need their forgiveness. I will keep the lines of communication open in my relationships and reason things out. I will not nurse resentments. I will not gossip about or irrationally criticize my co-workers.
