

J P Systems, Inc.

Enterprise **Healthcare IT**

Founded in 1983, we perform IT requirements analysis, business analysis, data modeling and enterprise architecture for healthcare. We are a force behind the information modeling of electronic health records for the Veterans Health Administration (VHA) and the Federal Health Architecture (FHA). Our personnel are active with data standards organizations such as HL7, NCPDP, OMG, LOINC, X12 & IHTSDO.
